Dear Board Members,

Moldawer's latest appeal lists "Acadia View Condo" as a defendant. Because this is a land condominium, only the unit owners, in this case Kathy & I, have the right to apply for building permits and to build on the property. Acadia View was not involved in any of the prior permits or in the action that Moldawer is appealing, consequently that entity should be removed from this action.

Thank you for your time and attention to this matter.
